

SIMPLIFY flooring selection

"Our homeowners enjoy working with the on staff designer who assists them with tile selection and design of their tile work but also helps to keep the customer in their allowance."

- Stephanie Hall, Skywater Building

"You're punctual, you finish on time, and you're one of our better contractors."

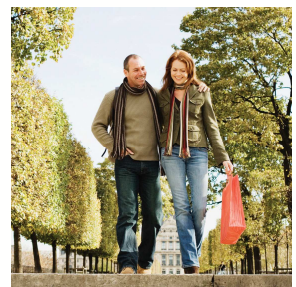

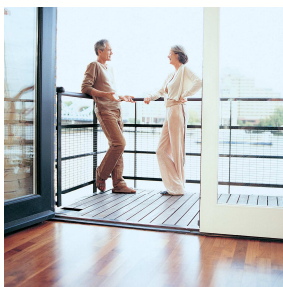

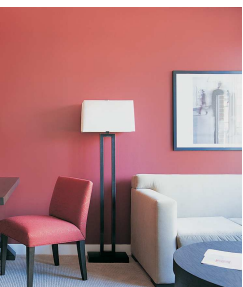

- Paul Bock, Bock Construction

CAPITAL TILE AND FLOORING How we serve homebuilders

- "Color group" pricing helps homebuyers easily select products in their price range
- Line item estimation (per room, per product) keeps jobs in budget
- Our responsive, knowledgeable staff gives your clients individualized attention and design ideas
- Quality products and a wide selection at all price points

In 1994, we started out as a tile installation company. Almost 15 years later, today's Capital Tile and Flooring is the premier tile, hardwood, and carpet provider in Raleigh, Wilmington, and Charlotte.

Why do homebuilders send their clients to us time and time again? Because we offer a streamlined, simplified approach—flooring selection, estimation and installation, all under one roof.
