Mediterranean Cuisine & Groceries

The tangy aroma of lemons and parsley. The honeyed texture of baklava. The salty bite of imported olives.

Surprise your senses with a trip to Neomonde.

"Delicious! Friendly! Healthy!" says a woman from Texas, who's eaten at Neomonde three times during her short visit to Raleigh. She's discovered what every Neomonde regular knows: This place is special.

The secret to Neomonde's success lies deeply rooted in tradition and family. For the Saleh family, who [founded Neomonde 30 years ago](#), uncompromising commitment to excellence is a sacred ideal. Every dish on Neomonde's traditional Lebanese/Mediterranean menu is prepared using simple, natural ingredients of the finest variety, prepared in strict accordance with traditional methods. The result: A truly distinctive level of authenticity. It's a commitment you can taste!

No time to dine in? Our fresh and flavorful sandwiches, sides, and salads are a healthy, convenient alternative when you're on the go. Pick up dinner for the family after work, stop by on your way to a pot-luck party, or surprise your officemates with just-baked bagels or pastries. It's always a good time for Neomonde!

Mediterranean Groceries: The Neomonde Market

Our market offers a wide selection of spices, olives, dried fruit, seeds and nuts, cheeses and other Mediterranean specialties. These are the staples that live up to our high culinary standards, the staples we use right here in our restaurants and in our homes. Every item has been selectively chosen, according to our high standards, and made available to you at a great price.

Breads from Around the World: Lebanese, Greek, French, Italian, German

When you buy bread at our market, you're getting the absolute freshest bread possible. Bread baked that very morning. Bread overflowing with hearth-baked flavor and aroma. Bread made with natural ingredients in accordance with centuries-old methods. Our famous pitain white, wheat, 100% whole wheat, and sesameis our most popular seller, followed by our unforgettable French baguettes. Other varieties are also available.
